

## Thesis-Related Deadlines for Academic Year 2023

### 1. Last day for thesis proposal examination

For students who were admitted in 2<sup>nd</sup> Semester, 2022      December 15, 2023

For students who were admitted in 1<sup>st</sup> Semester, 2023      July 19, 2024

Note: Those who miss these deadlines will be automatically retired.

### 2. Last day for thesis submission

1<sup>st</sup> Semester, 2023      December 15, 2023

2<sup>nd</sup> Semester, 2023      July 19, 2024

Note: Those who miss these deadlines will have to register for the next semester and pay tuition and fee of 51,500 Baht for Thai students and 95,200 Baht for foreign students.

### 3. Last day to have thesis published

1<sup>st</sup> Semester, 2023      January 2, 2024

2<sup>nd</sup> Semester, 2023      July 30, 2024

Note: Be noted that no matter it will be presentation at an academic conference or journal publication, both of them are concerned as "have thesis published".

They are last days to submit a certificate confirming that you have presented part of your thesis at an academic conference, or a letter confirming that your article has been accepted to be published in a journal, whichever that applies.

Those who miss these deadlines will have to apply for student status maintenance and pay the fee of 5,000 for the next semester.

For the above sentence, please refer to the notification issued by Chulalongkorn University at the below link.
