

## ASK FOR AN APPROVAL FROM ADVISOR FOR FINAL ORAL DEFENSE

When advisor approves your thesis for final oral defense, ask him/her about the exam date/time then inform P’Nong.

- Only students whose thesis have been presented at academic conference or published on academic journal are eligible for final oral defense.
- Only students whose English proficiency test score meets program’s requirement are eligible for final oral defense.

## INFORM ADVISOR TO APPROVE YOUR THESIS ON ITHESIS

Log into iThesis and upload acknowledgement and abstract of your thesis in Thai and English on the iThesis website then sending approval to professor.

## FINAL ORAL DEFENSE

Download pdf file of your thesis on iThesis and send it to P’Nong 2 weeks before the exam date.

## REVISE THESIS

Revise your thesis according to the recommendations of advisor and committee.

## DOWNLOAD APPROVAL PAGE ON ITHESIS

When the revision is done, please download a pdf file of approval page (a page that advisor, committee and dean must sign) on iThesis.

Kindly ask your advisor and thesis committee to sign the document. Once everything is completed, please send the signed document to P’Nong then P’Nong will forward it to dean.

## PLAGIARISM CHECK

Download a pdf file of your thesis on iThesis then send it to P’Nong for plagiarism check. (P’Nong will inform when the check is done)

## CLICK “COMPLETE” ON ITHESIS

When plagiarism check is done, log into iThesis and fill in report data form then click “Complete”. After an advisor approves your final thesis, download document of submission on iThesis.

Send 1) Signed approval page, 2) Abstract in TH/ENG 3) Document of submission to Graduate school’s email.

Once you receive email of document acceptance, Congratulations!
